No. 2:20-cv-01712-MCE-CKD

**ORDER**

On September 28, 2021, this Court entered a Memorandum and Order dismissing the federal claims against Defendants El Dorado County, the El Dorado County Sheriff's Department, and Sheriff D'Agostini; declining to exercise supplemental jurisdiction over Plaintiffs' state law claims; and dismissing Plaintiffs' declaratory relief cause of action based on the consent of the parties. ECF No. 16 at 11. Plaintiffs were given twenty (20) days in which to file an amended complaint, and if no such amended pleading was filed, they were advised that the causes of action dismissed by virtue of that order would be deemed dismissed with prejudice upon no further notice to the parties. Id. No amended complaint was filed, and this action is hereby DISMISSED with prejudice as to the forgoing Defendants.

1 In that same Memorandum and Order, the Court also issued an Order to Show  
2 Cause ("OSC") as to why Defendant Darryl J. Miller should not be dismissed under
